EDITOR'S LETTER

According to rumours, April 2019 is when they're finally getting round to releasing the last series of *Game of Thrones*, which once upon a time featured all sorts of nude female flesh but which seems to have got a bit coy in its old age, preferring to concentrate on killer zombies and dragons. Thankfully, here at *Mayfair* we've decided to stick with the naked female formula – and with the likes of Emma Green, Holly Gibbons, Georgie Darby and Tina Kay stripping off, who could blame us?

THERESA CROWD...

Dear Mayfair,

Not every bloke's lucky enough to see their wife or girlfriend with another woman, and for a lot of blokes it will always be their wildest dream to participate in a sweaty romp with two horny girls - but both these fantasies came true for me last month when I received a message from my missus telling me to come home during my lunch break.

I left work hoping that my wife had planned something more than lunch for us both. All thoughts led to her demanding a serious afternoon shag from hubby, especially since she had left three days ago in a very horny mood

for a managerial course in London. My guess was she probably wanted to relieve the tension from her trip by abusing her husband's nice hard cock before returning to the office.

Sure enough as I pulled up to our house, my wife's car was in the driveway. I kept my fingers crossed that she was already in the bedroom wearing the knee-high stiletto boots and black fishnet hold-ups that she said she had picked up during her three days away. Well, didn't I get more than I had hoped for as I made the way to our room.

There was my wife; on her knees with her legs spread apart, being seriously pleased by an extremely dirty looking blonde who was dining on her pussy. Having deliberately positioned herself so that she faced the door, ready for my entry, she greeted my expression of initial shock with a cheeky grin. My wife then closed her eyes and moaned with pleasure as she enjoyed the moment her husband first caught her in bed with another woman.

"This is Theresa," cooed my wife, "isn't she gorgeous?"

"Erm... yee-aaaahh," I stammered, my voice trembling as my pulsed raced, my eyes not quite believing what they were seeing.

"Don't you just love what she's wearing babes?" she said, glancing at Theresa as she wriggled across our sheets, lapping up my wife's pussy juices with her tongue.

"Very nice," I stammered again, marvelling at Theresa's sexy black stockings, red suspender belt and strappy stiletto heels. By now my cock was visibly bulging through my trousers.

"Aren't you going to get that out? I've heard it's quite something," suggested Theresa, as she reached across for my wife's giant dildo, which was sitting on the bed.

"I can't wait to watch him fuck you babes, you're such a dirty bitch who needs a good hard portion of cock," added my wife's seriously filthy friend. I couldn't believe what I was hearing, however as I watched the mischievous girls rub their breasts together and fingering their wet pussies, I pulled off my clothes to reveal my stonking hard-on.

Climbing onto the bed, my wife gasping

BONNIE CASSIE!

Dear Mayfair,

As a proud Scotsman myself, I was naturally delighted to see my stunning compatriot Cassie Clark making another appearance in my favourite magazine. As anyone with half a brain will surely already know even before Cassie provided the proof, here in Scotland we don't just produce world-beating whiskies and woollen goods - we also churn our cracking womenfolk as well! Let's see Cassie back in your pages again before long, please!

We'll see what we can do, Iain - and if you're keeping any other Caledonian cuties up your sleeve up there, please do let us know! - Ed.

for breath as Theresa filled her with 12 inches of vein-clad rubber, began sucking furiously on my erect member. Obviously enjoying the sight of saliva running down

THE LOOK OF LOVE

Dear Mayfair,

I love the set you've got of Cody Love in your latest issue, had to drop you a line to say thanks and to pass on my compliments to Cody and photographer Tammy Sands for recreating the glamour of bygone years so perfectly. Platinum blondes will always hold a special place in my heart, having grown up idolising Marilyn and Jayne Mansfield, and Cody in this set looks easily hot enough to join their ranks – although naturally I hope she doesn't share their fate!

Martin, Shepperton.

my shaft, Theresa began to lick the soaking wet dildo, which had been between my wife's legs.

"Come and taste hubby's cock," demanded my missus as she pulled Theresa towards her, kissing her passionately. I just loved watching them both go at it. It was like something you would normally only ever see in porn films, but now I was getting my own personal show involving my wife and a filthy blonde!

As I tugged on my cock while watching the two ladies devour each other, I was summoned to action once again.

"Give it to me now baby," called my wife, arching her arse cheeks towards my dick, inviting full penetration of her parted pussy lips as she fed on Theresa's shaven minge.

"Fuck me hard you filthy boy," she demanded.

"Yeah, fuck her good with your big thick dick," moaned Theresa who was seriously enjoying every flick of my wife's tongue on her dripping wet cunny. And fuck her I did, grasping her arse as I slid my length in and out of her soaking gash. I couldn't have enjoyed the moment any more as my balls slapped off her skin, with the only other noise coming from the two sex mad nymphos, moaning with pleasure as they approached climax.

First to come was Theresa. The filthy slut was pressed firmly against the headboard of the bed, her hands gripping my wife's head between her parted legs as she brought her pierced clit to orgasm.

Just watching Theresa scream with ecstasy as she came almost caused me to empty my bulging sack. But I was determined not to finish, especially with one other lady left to please.

"Naughty girls get fucked up the arse," I explained to my wife as I flipped my back onto the bed whilst pulling her away from her grinning friend.

"Theresa can lick my pussy as you give it to me babes, can't she?"

Well that didn't need much deliberation and I immediately spread my legs open to make room for her.

And I'm glad I did because as I rammed my cock into my wife's brown hole, Theresa kindly stroked and gripped my swollen balls as she dined on pussy.

It wasn't long from that point that I realised I could hold back no longer. Pulling my hard dick from my wife's tight arse, I immediately shot what seemed like masses of hot creamy spunk all over the sheets and the two unsuspecting ladies! It was like a volcano had erupted as thick white jizz covered everything in the vicinity of my cock. The girls giggled as they compared who had been splashed the most by my projectile ejaculation before embracing in once last passionate kiss, as if to thank each other for their supreme efforts. As I sank my head between the pillows I sniggered, "you can't beat that for a lunch break, can you?"

Needless to say the rest of the day at work was a complete waste of time. I simply couldn't wait to go home and fuck my horny wife all over again.

Mark, Nottingham.

POPPYCOCK!

Dear Mayfair,

When I was growing up, I developed a bit of a thing about older women, and it's only got stronger as I've got older. While my mates are out on the prowl, trying to pull young girls of our own age, I'm only interested in women old enough to be my mother. I don't know why – there's just something incredibly sexy about an experienced older woman that just hits my spot. My mates don't get it at all but I don't give a fuck!

Most of the women I get together with don't want any strings, let alone a relationship – which is why, right now, I'm happily carrying on with two married women, plus a couple of single ladies, too. I usually keep my feelings well in check – I treat them all as a bit of fun – but my latest conquest, Poppy, might be the one I actually end up falling for.

She's in her early-forties, quite pretty in an everyday sort of way, but she's so fucking filthy between the sheets! She's been married for nearly 20 years, apparently, but she says that her husband bores her stupid and barely glances at her sexually so she is constantly frustrated. Whether it's true or not, she's an absolute wildcat in bed and I cannot get enough of her.

Unlike a lot of girls who act like sucking cock is one big favour they're doing me, Poppy can't get her gob around my helmet quick enough. She'll often suck me dry a couple of time before we screw, and if I want to taste her pussy I'll have to make a point of saying it or she'll just keep on sucking me!

It's always a treat to hook up with Emma Green, but this time round she seems to have pulled out all the stops on the sexy lingerie front! Emma, you clearly have a bit of a penchant for this sort of thing...

"Of course I do! There's nothing more feminine than getting kitted out in a lingerie set - I must have at least 40 different combinations in my drawers at home, so each day starts with a delicious dilemma, which often effects how the rest of my day pans out. And of course if I'm shooting for *Mayfair* I always make a special effort!"

It's much appreciated! We'd love to have a peek inside those drawers of yours!

"OK, well here you go then..."

I sort of like the sneaking around as well – like when she texted to tell me to nip in through the back gate and she'd be waiting in the kitchen. She was starkers except for her high heels and when I walked in I didn't even get a kiss. She just dropped to her knees and yanked my trousers down around my ankles, then started using her tits on my hard-on. They're big and not the firmest pair, but that meant they moulded like dough around my meat.

Another minute of that and I would have shot my load all over the place, but we like to tease and wind each other up. I acted bored of her tit-wank and told her my cock wouldn't suck itself. She loves it when I treat her like a complete slut, and gave me the slurpiest deep throat, before focusing the suction on my helmet. It was such a wet blow-job that spit and pre-come were

SHE'D FOCUS ON THE HEAD, AND THEN LET ME SLIDE DOWN HER THROAT FOR A FEW STROKES...

drooling out of the sides of her mouth, and she didn't give a fuck.

Suddenly, she pulled away. "Did I tell you to stop?" I said, although I was relieved she had, as I was feeling a surge in my balls. "Can't have you coming too fast," she grinned, licking her lips. She let me take the breather I needed to get back in control, then I meshed my fingers in the back of her hair, and pulled her head back into my crotch.

She likes it when I fuck her face, so I rocked my hips as she sucked on me, using her hands to control how much of my shaft she blew. Once again, she'd focus on the head, and then let me slide down her throat for a few strokes. Then, once again, she let me slip out, wanking me slowly as she said she wanted me to come for her, knowing full well there wasn't much else I could do! All it took was for her to suck me back in and my fuck-juice exploded out, filling her mouth for her to gulp down noisily.

Once she'd made a show of swallowing every drop of my jizz, she got up on the work surface, legs spread as wide as they would go. She said that if I wanted to slip my length inside her juicy pussy, then I would have to show willing and eat her out first. I told her I'd need a bit of encouragement, a bit of coaxing, then I watched as she pushed two fingers deep inside her cunt, as I stripped off naked.

She was still frigging herself as I put my mouth to her hole – the more I tongued her, the more her juices welled up inside. Now I stuck my fingers in her snatch, wetting them before sliding them up her arse. “Don’t stop sucking me,” she said, and I soon had her climaxing hard, jolting

in my mouth
and on my face
as I nuzzled
between her
legs

My favourite way to screw Poppy is over the table, my prick banging into her from behind and my crotch grinding her plump arse cheeks apart. That's how we kicked things off, anyway. I was just getting into a rhythm with my thrusts, beginning to pound away at her gorgeous twat when she told me to pull out. Caught by surprise, I did as I was told, then she barked, "On the table... On your back!"

She didn't often feel the need to get bossy with me, but I loved it when she did. My cock was sticking up like a flagpole, and she simply impaled herself on it, instantly riding it like it was the last shag she'd ever have. Her arse was slapping up against me, tits bouncing wildly, until I grabbed them for a sucking.

My mouth mauling her nipples slowed her down, but it made her cunt squeeze me even tighter. And as she started to orgasm, I felt my come begin rise too, and soon it was flooding the inside of her cave.

I could have carried on fucking her for the rest of the day – too bad her other half was due home in an hour. But it didn't take long for her to call me and beg me for a repeat performance. I'm pretty sure that

TECH'S APPEAL

Feeling the urge to shell out some of your hard-earned shekels on some shiney new baubles? Well don't go splashing out till you've read the *Mayfair* lowdown!

VQ BLIGHTY DIGITAL RADIO

First up in this issue's double bill of things you've managed to do perfectly well without for your entire life but might just fancy getting your hands on now you know about it is this patriotically-named little personal radio from VQ. We all know that, while there are probably a dozen or so radio stations you might like to listen to when you're out and about there are loads more digital stations – but the trouble's always been accessing them when, oh, walking down the street or sitting on the bus – but no longer, thanks to pocket-sized digital radios like this one! All of a sudden your craving for a fix of 6 Music or, erm, United Christian Broadcasters when out and about can be indulged to your heart's content! But what is it about the Blighty that makes it stand out from the crowd? Well, first off there's the snazzy semi-retro design, that makes it feel like something that music lovers might have kept in their pockets a few years before the iPod mini came along. The small size and pleasantly curved edges make it nice and compact, sitting in the hand comfortably when not tucked away in a pocket, and the 1.6in screen is just right for giving you all the info you need – battery status, station name and a bit of info about the station. And talking of the battery status, once charged via the standard micro usb socket it should keep you going for 10 hours or so, which is a good day out in anyone's books. It's easy enough to scroll between available channels using the control panel in the middle, and it's got the added bonus of having a standard FM radio and a DAB+ radio (for when you're in that foreign) built-in as well, and you can pre-set five stations for DAB and FM respectively. And, as with all DAB radios, the sound quality is way more impressive than standard FM, so once you've got your signal and are tuned into music in particular, you'll be pleasantly surprised by what a treat for your ears it is – especially when paired up with a half-decent pair of earphones. But of course DAB does present certain signal issues, so you're not guaranteed the coverage you might like out in the sticks, say. Still, you can't really blame the Blighty for that one...

PRICE: £50

SOUNDASLEEP BLUETOOTH PILLOW

Yes, that's right, a Bluetooth pillow! Just in case you were in any danger of having one, solitary thing left in your house that doesn't require a power supply, allow us to present this from Soundasleep. Of course the main job of any pillow worth the name is to give your noddle a nice bit of support when you're having a kip, and given that Soundasleep have been making pillows for nigh on a generation now(!), they've got that base covered pretty well – a springy hollow fibre with a soft microfibre outer cover should ensure you don't wake up with a cricked neck. There's even some sort of mesh bit to ensure your bonce doesn't get too sweaty, which given how hot February was, can only be a good thing. So that's that – a nice pillow, but what's with the Bluetooth bit? Well, for the most part it's a speaker, which means that, once you've paired it up with your phone or whatever Bluetoothy thing you keep your music on these days, you can lie in bed and have your favourite choons piped into your head from deep within your own pillow. It'd probably never occurred to you that that might be something you'd like, had it? Still, now the options there, how long can it be before you're desperately fed up with having to wear headphones or, er, have the radio on? But there's even more to it than that, because once you've downloaded the accompanying app, you can do all sorts of other clever stuff, like analyse your sleep patterns and find out how much you snore. I know – quite!

Late one night a drunk guy is showing some friends around his new house. In his bedroom, a big brass gong sits next to the bed.

"What's that gong for?" The friends ask him.

"It's not a gong," the drunk guy replies.

"It's a talking clock."

"How does it work?"

The drunk guy picks up a hammer and

An old retired sailor puts on his old uniform and heads for the docks once more for old time's sake. He engages a prostitute and he's soon going at it as well as he can for a guy his age, but needing some reassurance, he asks, "How am I doing?"

The prostitute replies, "Well old sailor, you're doing about three knots."

"Three knots?" he asks, "What's that supposed to mean?"

She says, "You're knot hard, you're knot in, and you're knot getting a refund."

A young blonde comes home from school and asks her mum, "Is it true what Rita just told me? That babies come out of the same place where boys put their thingies?"

"Yes, dear," replied her mother, pleased that the subject had finally come up and she wouldn't have to explain it all to her daughter.

"But then when I have a baby, won't it knock all of my

teeth out?"

Two eggs are boiling in a saucepan, one male and one female. The female egg says "Look, I've got a

crack!"

"No good telling me," replies the male egg, "I'm not hard yet."

An 85-year-old man went to his doctor's office to get a sperm count. The doctor gave the man a jar and said, "Take this jar home and bring back a semen sample for me tomorrow."

The next day the 85-year-old man reappeared at the doctor's office and gave him the jar as requested, which was as clean and empty as it had been on the previous day.

The doctor asked what happened, so the man explained: "Well, doc, it's like this, first I tried with my right hand, but nothing. Then I tried with my left hand, but still nothing. Then I asked my wife for help. She tried with her right hand, then her left, still nothing. She tried with her mouth, first with her teeth in, then with her teeth out, and still nothing. We even called up Gladys, the lady next door and she tried too, first with both hands, then an armpit and she even tried squeezing it between her knees, but still nothing."

The doctor was shocked! "You asked your neighbour?"

The old man replied, "Yep. We tried everything but still couldn't get the jar open."

A man had great tickets for the World Cup Final. As he sits down, another man asks if anyone is sitting in the empty seat next to him.

"No," he says. "The seat is empty."

"This is incredible!" says the other man. "Who in their right mind would have a seat like this for the World Cup Final, the biggest sporting event, and not use it?"

"Well, actually, the seat belongs to me. My wife was supposed to come with me, but she passed away. This is the first World Cup Final we haven't been to together since we got married."

"Oh... I'm sorry to hear that, that's terrible. But couldn't you find someone else, a friend or relative, or even a neighbour to take the seat?"

The man shakes his head. "No. They're all at her funeral."

A couple of lads went into the pub, and as they strolled up to the bar, they heard an old man muttering a little tune to himself.

"82 today, 82 today," he sang softly in his wavering old voice.

"Ahh," said one of the lads, "let me buy you a drink, that's a proud landmark."

"Ooooh, thank you young man," the dodderly old chap wavered unsteadily, as he looked up in appreciation. "I'll have a pint of Guinness, please."

The lad gets him a beer and delivers it to the old-boy at the table. As he's walking away, and as the old man carefully lifts the glass, he begins to sing to himself: "83 today, 83 today!"

"Suck it? I was thinking I might just floss my teeth with it!"

slams it against the gong, making an earshattering sound. Suddenly, someone on the other side of the wall screams, "For fuck's sake, you tosser! It's 3:30 in the morning!"

Local derbies always involve a bit more passion, don't they? Just ask the Aston Villa captain who got lamped by that Birmingham fan last month! But, given that *Mayfair* doesn't really have any local rivals, we can't promise you a local derby, we can present you with a local Darby – Georgie Darby, that is, who, it turns out only lives a couple of good stones' throws away from Paul Raymond Towers in leafy Surrey!

"Yeah, I know – it's funny, isn't it? I had no idea you were so close by, but now I do, you're likely to be seeing plenty more of me from now on!"

Well great – although we're delighted to be seeing plenty of you already!

Midlands-based saucy pop Tina's another girl who seems to have a real thing for lingerie – or perhaps she's just doing it for us...?

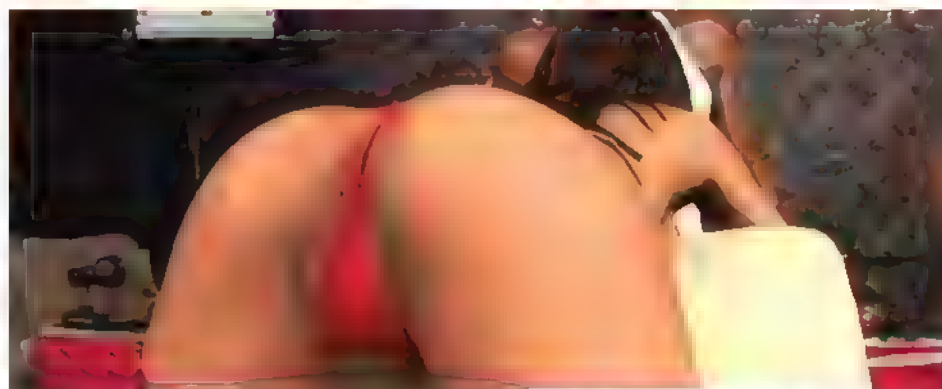

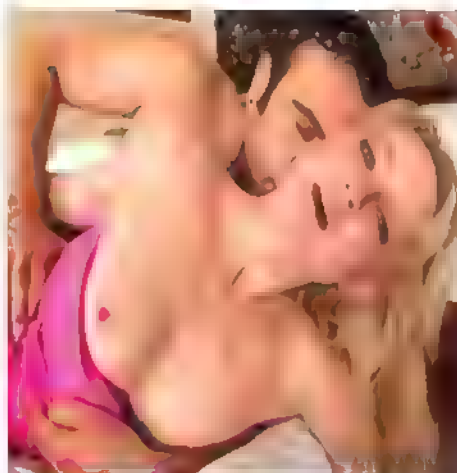

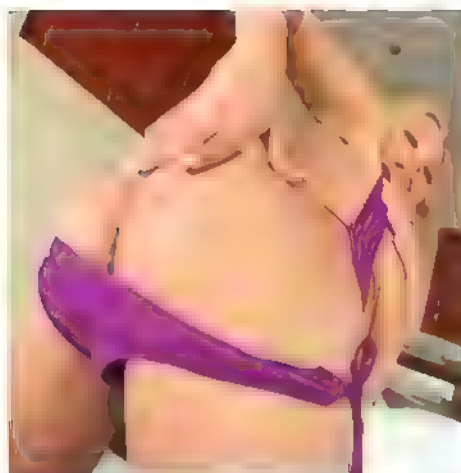

Well, a bit of both, but I keep getting given different sets of lingerie and to be honest sometimes I don't quite know what to do with them all. I've got a few 'special' friends who keep treating me to stuff, which is really nice, but sometimes it's just getting me lingerie more for my benefit than for mine! Still, I get to share it with your readers, so then everyone's a winner, I guess.

I can well remember the first time I ever clocked Holly Gibbons, when she rocked up for a shoot that we wasted no time in publishing back in 49.06. There was a good bit of chatter around the office along the lines of "Ooh, she's nice, isn't she? Let's hope she's not one of those models who shoot a couple of sets and then disappears off the scene, because she looks like a real grower who'd might just look even better in 6 years' time than she does now..."

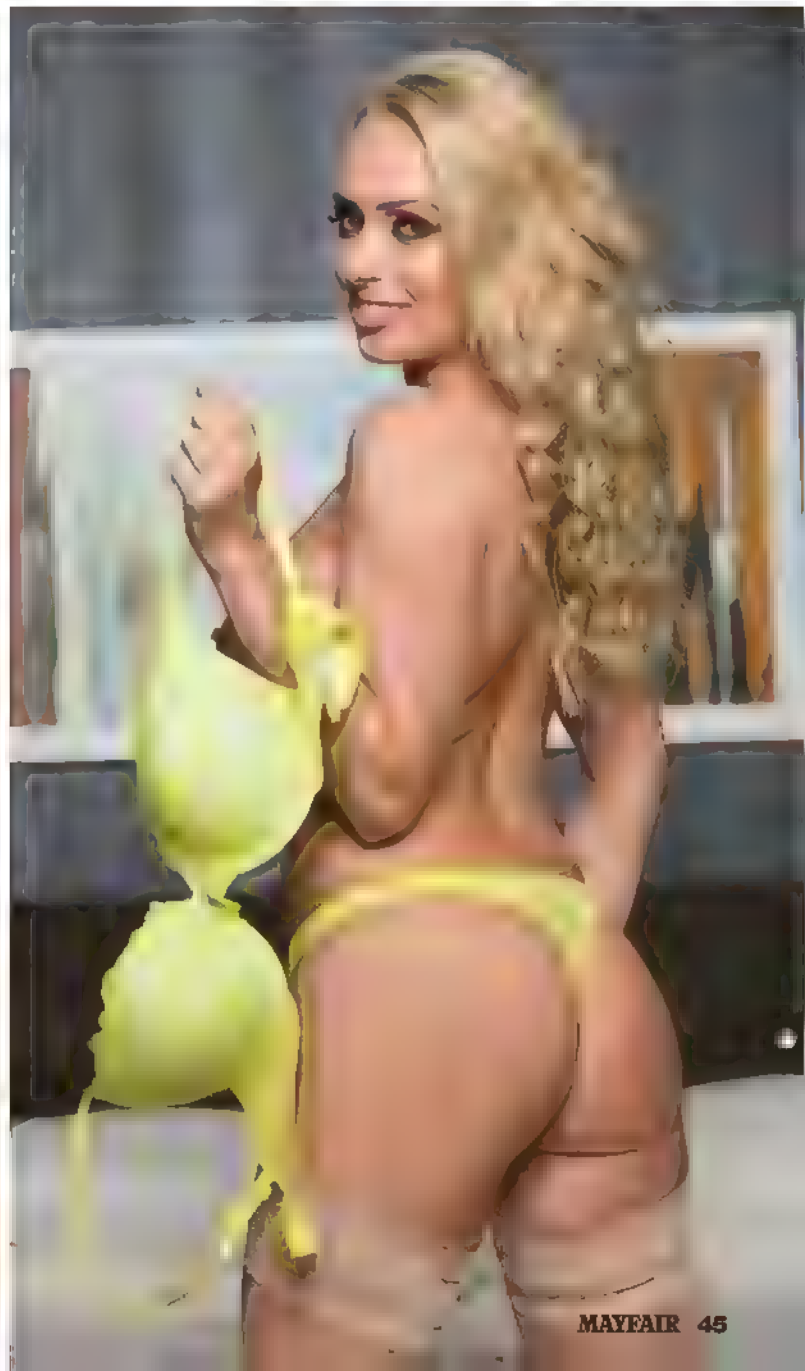

Well here we are, pretty much five years later, and bugger us if we weren't right! I look at her in her yellow bikini here! Yes, life might present us with all sorts of trials and tribulations, but once you've met

Scene from MAYFAIR

A spot of lefty tub-thumping and some arch-noir from Hollywood's golden age take us nicely to the grotty underbelly of interwar Berlin. All in all, then, a perfect night in!

PETERLOO

No, it's not a film about the company that hires out toilets to music festivals and the like – the Peterloo massacre was an attack on a proto-democratic demonstration in Manchester back in 1819 which seems rather to have fallen out of favour with curriculum setters these days (I wonder why that might be), so it's no surprise that Director Mike Leigh figured it was high time we were all reminded of the event in good time for the 200th anniversary. It's a long way from his more typical fare, but then he's dabbled in the past before – *Mr Turner* and *Topsy-Turvy* spring to mind – and he handles the scale with aplomb. A downtrodden nation, tired and hungry after the tax burden and the cost of food have been cranked up too far, are agitating for change, but the government's having none of it – the contrast between the plight of the protestors and the London elite is nicely drawn, and the massacre, when it comes, is genuinely moving. An important and impassioned film.

HUMAN DESIRE

Those folk at Eureka have only gone and dug out another noir classic and given it a dusting off for its first ever Blu-ray release! And it's got plenty of pedigree, too – after all, who could have more of a clue how to shoot a noir than Fritz Lang, the man whose early expressionist work did so much to influence the genre in the first place? Released in 1954, the film reunites Glen Ford and Gloria Grahame from Lang's previous film, *The Big Heat*, this time with Ford playing a railway worker who falls big time for Grahame... a bad move as she's a full-on femme fatale – quite literally, having been party to the murder of her lover by her drunken, jealous husband (Broderick Crawford). Well, Ford's engineer gets entangled with Grahame and the ramifications of the murder, but as for how it all ends... well you'll just have to watch!

BABYLON BERLIN

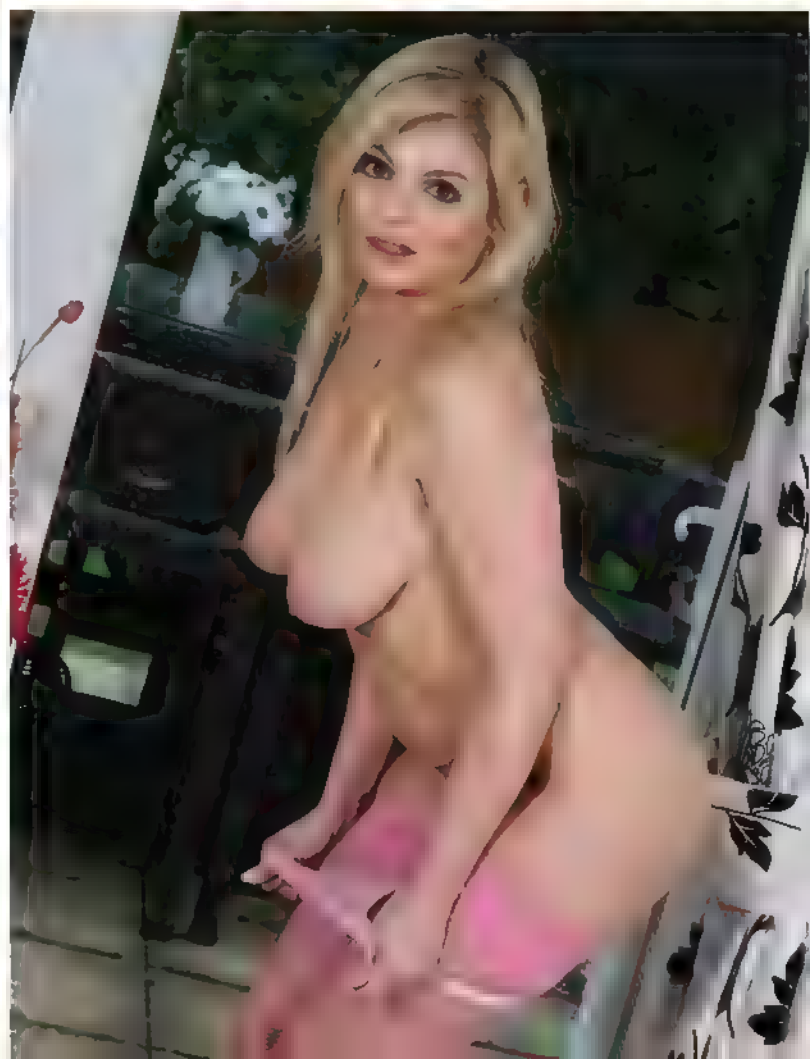

If you've got Sky and aren't averse to subtitles then there's a good chance you'll have come across this one already, but for the rest of us the release of the first two seasons of *Babylon Berlin* is a very welcome development. Based on the books by Volker Kutscher (admittedly, not a household name here in Blighty), it is in essence a police procedural but with a twist – it's set in Berlin during the Weimar Republic! If you can get your head around Scandi-noir you shouldn't have any problems tucking into this one, then, as we follow Volker Bruch's police inspector as he goes underground to ferret out some nasty extortion types. As a cop drama it's easily good enough to recommend watching, but the representation of pre-Nazi Germany is what really lifts it out of the ordinary and makes it a far more immersive and satisfying programme.

KATY

Thank goodness for patio doors, eh? We were all up for a shoot in the garden with Midlands hottie Katy-Jayne, but things suddenly turned extremely chilly and we couldn't possibly expect the poor girl to get her thruppeny bits and bobs out in those conditions - she'd have caught her death and we couldn't have that on our conscience just for the sake of some nuddy pix!

"Well, that's very good to know!" she grins, "although it's not THAT cold! I'm pretty sure I've done outdoor shoots in worse weather than this and survived to tell the tale. In fact I reckon it's you southern softies who don't fancy standing outside for long in this weather!"

What a shocking thing to suggest!

MAYFAIR Movies

Fancy a loin-stirring film to watch on a romantic night in with the missus? Well one of these might just do at a push - and at the very least none of them is *Love, Actually*...

Wicked Pictures

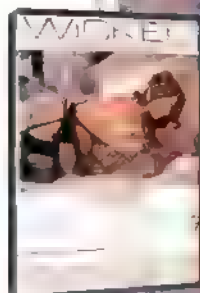

AFTER FOREVER

CAST: Penny Pax, Alexa Grace, Britney Amber, Kenzie Taylor

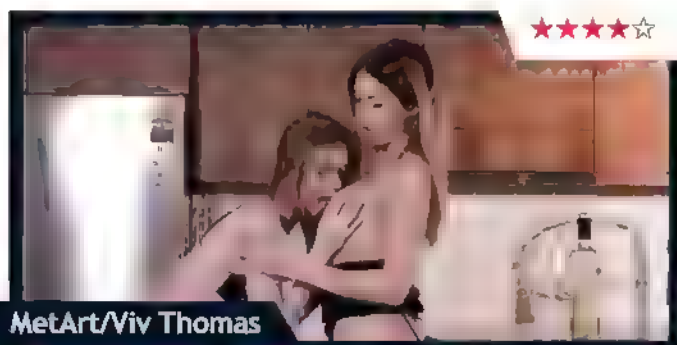

A bongo flick gives itself a lot to love up to when it settles on a name like that. I mean if it's called "I Banged Yo Mom!" you're never going to expect a great work of art, but *After Forever* seems to suggest a slice of cinematic history destined for immortal fame. Having watched this one quite closely (at times), I'm afraid it doesn't quite live up to the billing, but that's not to say it isn't one of the finer skin titles I've sat through so far this year! The plot - for plot there is, of sorts - revolves around Ms Penny Pax and Derrick Pierce who, having once seemed to be the perfect couple who'd vowed to love each other forever, are now giving it up as a bad job (so we're 'after forever', see?). They go their separate ways but run into each other when on holiday some time later, when they've both bagged attractive (professional pornstar) partners! Mind you,

★★★★☆

Editor's PICK

the first bunk up's between Britney and Chad Alva, and while the lighting's a bit murky I could watch Britney screw all day long. Credit to Chad, too, for the way he whips off his johnny just in time to spuff all over her muff. Derrick and his new squeeze Alexa are up next, but you can tell they're not meant to be together. A few more romantic couplings ensue before true lust finally runs its course once more.

LOVERS IN LINGERIE

CAST: Zafira, Cindy Hope, Rachel Adiani, Tindra Frost, Lilu Moon, Sandra W, Patntcy, Paulina Soul

We all know that fellas crave lingerie-wearing lovers, but do women as well? Well, I had my doubts following a spectacularly disastrous incident that involved me trying to squeeze into a basque and G-string, but from the evidence on display here it seems they do - as long, crucially, as the lovers in question are other women! Well, how was I to know? Anyway, without further ado let's skip to the scene that features two girls who've worked their way into the hearts of *Mayfair* readers over the years, Zafira and Cindy Hope, who are paired up in the final scene. After fixing them both a glass of brandy Zafira sashays over to Cindy and plonks herself on her lap. Cindy's soon unleashed Zafira's wondrous boobs and the pair of them get stuck into a fabulously sensual session, with Cindy's lightly-furred snizz getting a really good tongue-lashing before she gamely returns the favour. A scene of vintage quality which is accompanied by three others which aren't remotely shabby either. Available from your local sex shop.

BOXING BEAUTIES

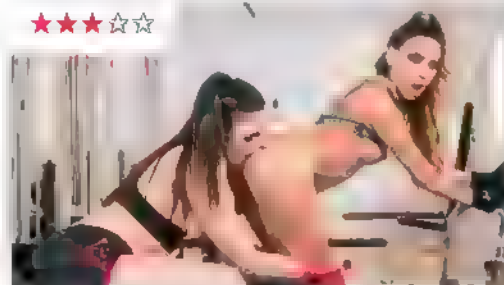

CAST: Lucy Heart, Baby Nichols, Hannah Vivienne, Monica Brown

It's always been a cause of some bafflement to me that, despite their proximity in the dictionary, babysitters and boxers seems so differently represented in scud flicks. You can't walk into a porn shop without tripping over a pile of babysitter-themed titles, but if it's boxing jollies you're after you often have to ferret about in the very darkest recesses of the shop. Well here, at least, is a title to help redress that balance, so I doff my padded head-protector to Private for doing their bit to

help porn-mad pugilists finally get their rocks off. Iffily-named Baby and Hannah soon tire of sparring, preferring to lock tongues and massage pussies instead, and who could

★★★★☆

possibly blame their muscly trainer for wanting to join in the fun as well? Hardbodied Baby's soon getting a good reaming from behind and then, after both girls have slurped her juices of his cock, the lucky lad has a crack at Hannah as well as she reclines on some training equipment. The naughty brunette ever unlocks the backdoor for him before he's done. There's more botty action for Lucy in the next scene, if less boxing, while a double-dicking for Monica marks her out as one to watch come big fight night.

QUEST...

Reckon it's high time we had some confessions from some of our horny lady readers? Well so do we - and here they are!

When I started training as a nurse I knew full well that the uniform was a popular fetish, but that didn't bother me in the least. In fact it was one of the things that first attracted me to the job, knowing that all those men would be fantasizing about fucking me. And how right I was.

Last week, I'd had a really crappy day at work, and went straight to the pub when I'd finished my shift. Still wearing my uniform, I walked in and took a seat at the bar. I'd just ordered my drink when this hunky lad asked what I'd like to drink.

"Just got one thanks," I said. "My name's

Carol by the way!"

"I'm Neil. Wanna talk about it?" he asked, with gorgeous fuck-me eyes. He must have figured I'd had a bad day!

"Not really," I said. "But if you get the next few I might just let you take me home," I flirted, and his grin told me everything I needed to know.

This guy was in for a treat. I'm a big titted brunette with a nurse's uniform and a talent for sex, and he was in the right place at the right time.

Sure enough, four or five drinks later we headed back to my place, and I went down on him as soon as we were through the door. His cock was lovely and thick, and even I had trouble

deepthroating him. I

massaged his balls as I blew him, occasionally licking my tongue around his helmet. Then, just when I sensed he was about to come, I gave him the good news with a sneaky fingertip up his arse. That was all it took, and he unloaded an massive wad of his hot come right down my throat.

"You certainly did some coming there, didn't you!" I teased him after gulping down most of his seed. Then, after licking more jism off his pulsating cock, I informed him, making certain there was no mistake about it, what I

wanted him to do to me

He nodded in consent, so I led him to my bedroom and told him to get undressed. As he hurriedly threw his clothes off, he watched as I lifted my skirt and exposed my knickers. I massaged my slit through my skimpy undies for a moment before turning my back to him and slowly lowering them, bending right over to ensure that he could see my bum.

I've always love it up my bum, but Neil was so big I wasn't sure I'd be able to accommodate him in my tight back passage. His cock was fully erect again and it was an impressive tool, still wet with his cum and my saliva.

Once my knickers were off, I told Neil to get the lube out of the bedside table and grease me up. I made my way over to the dresser and bent over it, pulling my bum cheeks wide open so Neil had easy access to my tightest hole.

He didn't need any encouragement. He applied a large quantity of lube to his fingers and then began to smear it between my buttocks. It felt so good as

HE MANAGED TO PUSH HIS ENTIRE LENGTH INSIDE ME IN ONE GO, AND I SQUEALED WITH JOY.

Neil lubricated my arse cleft and anus with a generous helping of the slippery jelly. He massaged my rump all over, sending tingling sensations all through my body, and he fingered my cunt and arsehole skillfully.

"You ever done a girl backwards before?" I asked him, purring as he inserted a finger into my bum.

"No," he replied, "but there's a first time for everything!"

I knew he was going to enjoy it. Once he was satisfied with the amount of lube in and around my ring, he then applied some more to his cock, just to be sure.

Next thing I knew I was in that ecstatic world of pleasure-pain as Neil eased is huge cock right up my arse.

Somehow he managed to push his entire length inside me in one go, and I squealed with joy as I felt his nuts thwack against my rear.

"Oh that's right," I moaned, as I adjusted to having my bottom penetrated. "Now shaft me as hard as you can!"

He didn't hesitate. Neil slowly withdrew till he was only just inside my rectum, and then, grabbing my hips, buggered his cock right back up there, sending me wild with excitement.

I was in another world as he pumped

his frantically in and out of my slippery arsehole. He grunted and groaned with exertion as he did it to me, ramming my rear entrance just how I liked it. My pussy was literally dripping with my juices, and I reached down underneath myself to frig my clit and shove two fingers up my gaping juicy slot

I came in a very short time. Frigging myself as hard as possible I orgasmed and my pussy squirted almost as much of my hot juices down my inner thighs as Neil had pumped down my throat.

"Oh fuck!" I managed to wail. "Come deep inside me, Neil!"

He did just that. As my body spasmed in orgasm, my bum tightened around Neil's cock, and he growled as he ejaculated. He leaned over me and squeezed my tits hard as he pumped his semen deep inside my hot little arse. The feeling was incredible, and I came again, almost immediately!

I thanked him kindly as he withdrew from my back passage, and he insisted it was his pleasure, which I have no doubt at all it was!

It was the uniform that did it, I'm sure, and I'm pleased to say that my new boyfriend seems to have an endless supply of spunk whenever and wherever I want it – especially when I wear the uniform home!

"MY PUSSY WAS DRIPPING WITH JUICES, AND I REACHED DOWN TO FRIG MY CLIT."

Matthew and I have been together for two and a half years now and, despite us both fucking other people regularly, we're so strong as a couple. While we're honest with each other, we've got an open relationship. We worked everything out in the first six months – all the intricate scenarios and problems that may rear their head. Eventually we became comfortable – not only with each other, but what we could and couldn't do while in our relationship. Not that there was much that was off the table! We'd be in some club and, while he was

chatting up some girl at the bar, I'd be getting fingered off some bloke in a dark corner somewhere! As long as we end up going home together, it works out really well for us

Recently, I've been having fun with other women, too. I'd always been bi-curious and started out looking for some fun on my own, keeping it separate from what I did with Matthew. But he started getting obsessed with the idea of watching and maybe even joining in, so recently I've been going after bi-girls, who'll be up for doing him too. And what fun we've had!

We've found the internet and adult dating and contacts are the best way to do this. Again, honesty is key – we show her what she'll be getting, undraped, and expect the same back. We make it clear

it for real, but she went beyond it.

As we had a couple of getting-to-know you drinks at ours, I stuck a home-shot DVD in the machine, just me and Matthew fucking. She obviously liked what she saw – she began snogging and rubbing up against him. Then she just got up and stripped off, totally off-the-cuff. Being naked apparently wasn't a big deal to her as she paraded around in front of us! She had a really gorgeous body; cute little boobs and a Brazilian waxed pussy, with her clit poking out just proud of her plump lips. Then she just plonked herself back down on Matthew's lap, happy to let his hands wander wherever.

She complimented me on my "performance" saying I was giving it to Matthew good! OK, I'd picked a DVD that

Matthew's dick, taking over the wanking, as she watched me fuck myself with a toy onscreen. Then I pulled it out and Matthew buried his cock in me instead.

I couldn't stop myself – I bowed my head and took the real thing in my mouth, sucking it so deep my nose brushed up against May's clitoris. So I gave it a

I TEASED THEM BOTH, FINGERING MAY'S LABIA AND LETTING MATTHEW'S PRICK TAP AGAINST HER PUSSY.

"SHE WAS GETTING HERSELF JUST AS HORNY AS MATTHEW, LICKING JUICES OFF HER FINGER."

it's mostly a lezzie thing, but I've frigged off with toys and got a massive turn-on as I watch a girl screw Matthew's rock hard boner.

Some scenes work out better than others, and one recent girl was quite memorable! Her name was May and the pictures she sent us after we made contact were pretty full on! She was sucking a bloke's dick, fanny-to-fanny with another woman and wearing all this kinky gear. We wondered if she could live up to

showed me at my best, but she obviously fancied girls as well as guys.

May lifted herself up just far enough so that she could unzip Matthew's jeans, and then got his cock out. She was sitting on his lap with it poking up between her legs now, so she could massage it against her labia and slit. She was getting herself just as horny as Matthew, licking juices and pre-come off her fingers, and while I was cool with them kicking off the fun, I wanted to join in too. I grabbed

teasing tickle with my fingers, keeping her wet and juicy for my other half.

I teased them both, fingering May's labia apart then letting Matthew's prick slip out and tap against her dripping pink pussy.

Then I went down on May, rubbing Matthew's helmet over my face. I

heard him groan – while I might get him off, all he really wanted was to get his cock in May's tight, hot pussy.

I'm good to Matthew – I started rubbing them again, helmet to clit, feeling May back up slightly. I slipped a finger in her, just a bit of teasing penetration, then

Name: SUZY
Age: 26
From: SHEFFIELD

I asked her did she want a dick in her instead. She groaned yes and so I put it in her.

May was small and light enough Matthew could bounce her on his lap. It looked a little bit freaky – she was sat with her legs spread outside his and his balls hanging down underneath her. So I cupped them and rubbed them up against her crotch, stimulating where her skin was shaved. Then I sucked them into my mouth, enjoying the taste of her juices once again.

One thing that we've noticed with swingers, you can always tell who watches porn – most of them! – because they'll get in positions you don't see in "real life". Now May bent her knees and put her feet on Matthew's thighs – classic jizz-flick – so I could see the penetration. She'd rise up, riding him, sometimes so far he almost slipped out, so I had to grab his cock and slide him back in her again. I wasn't just there for their good, though – sometimes I made her wait while I took another creamy suck on him.

I thought May would just fuck him, expect all the attention to be on her, but instead she asked if she could eat me from behind. She said it turned her on.

I bent forward with my arse in her face, shuffling into position so my twat peeked out between my cheeks. Then I felt her grab me, tongue lapping and probing over my pussy and then working its way inside it.

She was horny, totally uninhibited. Now I felt her wet her fingers then poke two in my arsehole, wiggling them and opening me up. As her mouth got busy on my clit, I started groaning, grabbing for a footstool so I wouldn't lose balance. May wasn't missing a beat, though. I could hear the skin-on-skin slap, the wet, sucking noises as she fucked my boyfriend's eager cock.

I think he was oblivious, so far into her, then I heard a groan and felt her shimmy her arse

against his crotch, so he could fuck her cunny as deep as she could take him as he came.

She looked so sexy, all flushed and glowing above the waist, and below it just a mess of streaming spunk. I hadn't quite

climaxed yet so I lay down on the rug, frigging off and beckoning May to come over and sit on my face. I let her cream – and Matthew's – collect in my mouth before getting her to move round and give me a kiss.

I FELT HER GRAB ME,
TONGUE LAPPING
AND PROBING OVER
MY PUSSY AND THEN
WORKING ITS WAY IN.

The entire night was one big fuckfest. Matthew may be man enough to satisfy me when it's just us, but there was no way even his cock was going to do it for us both. This meant there was loads of lezzie fun, and I told May she could use any of my sex toys. Some of them scare me a bit, so seeing this petite woman determined to take my fattest, bumpiest dildo inside to the hilt really was a sight to behold! Too bad I didn't have a strap-on – I'd have loved to have fucked her like that, but there's always the next time.

There definitely will be next times – she's swung with a few couples and said we were the sexiest, best-looking and most fun. OK, flattery got her pussy another licking, and another length from Matthew – once he'd had a chance to recover – but I do actually think she was being genuinely sincere!

I don't think swinging is for everyone – some people get too jealous. But if you're as highly sexed as me, Matthew and May, I'd say go for it, because we're definitely having the time of our lives!

A woman in a light-colored bikini is shown from the waist up. She has long, wavy hair and is looking towards the camera. The image is heavily stylized with a high-contrast, almost posterized effect. Overlaid on the image is large, bold, black text with white outlines. At the top, it says 'I'M JUST 18'. Below that, on the right side, it says 'I need my Fanny SPREAD WIDE NOW'. In the center, over her chest, it says '35P'. To the right of her chest, it says 'TEENAGE FUCKING'. At the bottom, it says '0982 505 1481'.

JENNY

MAYFAIR

Classic

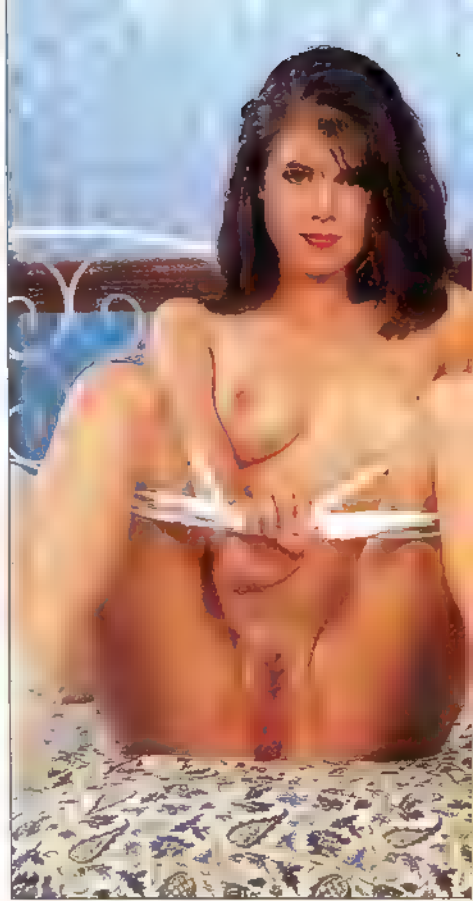

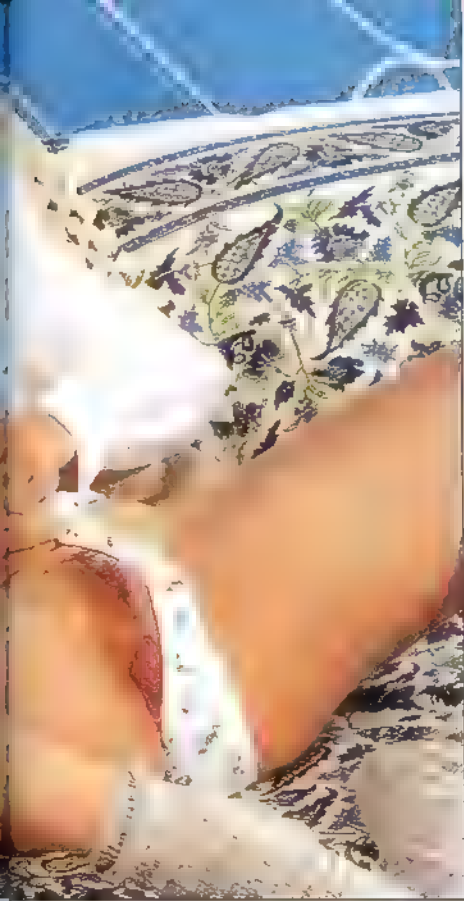

Christmas comes but once a year, which is perhaps just as well for the men who know juicy Jenny, the 21-year-old receptionist from Wimbledon. "I go well over-the-top at Xmas," she admits. "Booze, food and lots of snogging! Trouble is, if I get a guy I fancy under the metaphorical mistletoe, I can't stop at kissing. My hands start roaming over his body, and suddenly we find ourselves in bed, with all my relatives asking, 'Where's Jenny gone this time?' You must drop in – you're guaranteed a good snog, so long as you don't reek of pickles – and you might wind up with me under the bedcovers. It's better than the Bond film!" 

Classic

There's a lot of talk about Christmas in this set from 1995, isn't there? Especially given quite how spectacularly un-Christmas-y it is! Still, the mag must have hit the shelves around the end of November and obviously it was on everybody's mind. In any event, let's hope any prospective squeeze from the time heeded her advice to stay of the pickles if they wanted some action!

MAYFAIR

Vol.54 No.05

On Sale May 1st

There's nothing quite like writing the coming next month page to make you stop and reflect on the passing of time. As I sit here the remnants of Storm Gareth are lashing rain against the windows and we're all feeling like we've had enough of this sort of thing now, but here I am writing about next the next issue - which is going to be on sale in May! Well, there's not much you can do about the march of time other than embrace it, and so embrace it I shall - although I'd much rather be embracing some of the lovelies we've got lined up for you next month, like Natalia and Jasmine!
